New Beginners/Puppy Training Course

Our beginner/puppy course provides a means of socialising dogs and gives dog owners a foundation for education and training. This is a **6 week training course** that starts with a talk on Dog behaviour on week 1 (Dogs are left at home). The following 5 weeks will cover basic dog training.

Courses commence every 7/8 weeks and are held on a Monday or Thursday evening at 7.30 - 8.30pm. The class are held behind Swinton Town Hall and usually have around 10/12 dog's dependent on trainer availability.

There is no age limit for dogs attending the beginner course although we do prefer dogs to be at least 3.5 - 4 months old. Puppies under this age would benefit more from our Puppy Socialisation classes. The majority of the dogs attending the beginner courses are under 12 months old but on occasions we do have older dogs attending. All dogs are put into the same class as all exercises and information provided is the same regardless of the dog's age.

ALL CLASSES ARE HELD OUTDOORS (Including the behavioural talk)

Swinton Dog Training has at least 3 instructors on each training session, instructing at beginner, intermediate and advance levels. All instructors have many years' experience of owning and training dogs and are available to give dog advice after each class.

The course covers a variety of exercises, most are listed below.
